Good Morning Bruce: Guillory was originally a case that was closed as a "no asset" case. It then came to my attention that there was a lawsuit pending that the debtor had failed to schedule. It was Cause # D-170,119 styled Michael James Guillory v. Robert David Feather, in the 136th Judicial District in Jefferson County. When that came to my attention, I filed a Motion to Reopen the case and proposed order as well as an Application to Defer payment. I had numerous conferences with the attorney representing the defendant on the merits of the case. The debtor had previously hired Matthew Matheney of Provost Umphrey. I contacted him and discussed the matter with him. I filed an Application to Hire him and a proposed Order. I had numerous discussions with him as the case progressed and filed an Application to Approve a Settlement and proposed Order which was approved by the Court. I reviewed a Motion to Lift Stay, reviewed claims docket, reconciled bank statements and other usual trustee duties. Please confirm receipt of this e-mail. If you need any other information, please let me know. Dan
